Re: Refund of overpayment for patent issue fees related to Appl. No. 09/898,823

Dear Sir/Madam:

I am writing to request a refund of an overpayment related to issue fees for Appl. No 09/898,823.

In August 2004 I submitted paperwork to pay publication and issue fees related to this application. The original USPTO paperwork notifying me of pending issuance did not reflect the applicants' Small Entity status; the original paperwork listed fees of \$300 for publication and \$1330 for issue, for a total of \$1630. The applicants claimed SMALL ENTITY status in Section 5 of the "Part B - Fee(s) Transmittal" form, so the issue fee should have been \$665, for a total of \$965.

The combined publication and issue fees were paid with a credit card using Form PTO-2038. The total should have been \$965; however, on 8/31/04 the credit card company paid the USPTO in the amount of \$1630. This represents an overpayment of \$665.

In October 2004 I sent a fax the Office of Finance - Refund Branch requesting a refund of the overpayment. A photocopy of the faxed request is enclosed. I have not yet received a response, and the credit card has not yet been credited.

We respectfully request a refund of the \$665 overpayment.

Re: Refund of overpayment for patent issue fees related to Appl. No. 09/898,823

Dear Sir/Madam:

In August 2004 I submitted paperwork to pay publication and issue fees related to USPTO application 09/898,823. The original paperwork listed fees of \$300 for publication and \$1330 for issue, for a total of \$1630; however, the applicants claimed SMALL ENTITY status in Section 5 of the "Part B - Fee(s) Transmittal" form, so the issue fee should have been \$665, for a total of \$965.

The combined publication and issue fees were paid with a credit card using Form PTO-2038. Our credit card shows a USPTO charge of \$1630 on 8/31/04. This represents an overpayment of \$665; we respectfully request a refund of the overpayment.

Please credit my VISA credit card # 4388-5230-1612-8865, expiration 01/07 in the amount of \$665 for the overpayment of issue fees related to 09/898,823; or send a check in this amount to the inventors Chris Eberspacher and Karen Pauls at the address below.

Thank you for your assistance with this matter.
